I, the undersigned, hereby apply for membership in the East Metro Association of Realtors® and enclose a check in the amount indicated on the reverse of this form. I understand that this fee, minus the application fee, will be returned to me in the event that I am not accepted to membership. I agree as a condition of membership to complete the indoctrination course of the East Metro Association of Realtors®, to thoroughly familiarize myself with the Code of Ethics of the National Association of Realtors®, including the duty to arbitrate business disputes in accordance with the Code of Ethics and Arbitration Manual of the East Metro Association and the Constitution, Bylaws and Rules and Regulations of the East Metro Association, the Oregon Association and the National Association

I further agree that my act of paying dues shall evidence my initial and continuing commitment to abide by the aforementioned Code of Ethics, Constitutions, Bylaws, Rules and Regulations and duty to arbitrate, all as from time to time amended. Finally, I consent and authorize the East Metro Association, through its Membership Committee or otherwise to invite and receive information and comment about me from any Member or other person, and I agree that any information and comment furnished to the East Metro Association by any Member or other person in response to any such invitation shall be conclusively deemed to be privileged and not form the basis of any action by me for slander, libel, or defamation of character.

I acknowledge that the Association will maintain a membership file of information which may be shared with other Associations where I subsequently seek membership. This file shall include: previous applications for membership; all final findings of Code of Ethics violations and violations of other membership duties within the past 3 years; pending complaints alleging violations of the Code of Ethics or alleging violations of other membership duties; incomplete or pending disciplinary measures; pending arbitration requests; and information related to unpaid arbitration awards or unpaid financial obligations to the Association or its MLS.

I acknowledge that if accepted as a member and subsequently resign from the Association or otherwise cause membership to terminate with an ethics complaint pending, the Board of Directors may condition renewal of membership upon my certification that I will submit to the pending ethics proceeding and will abide by the decision of the hearing panel. I further understand that If I resign or otherwise cause membership to terminate, the duty to submit to arbitration continues in effect even after my membership lapses or is terminated, provided the dispute arose while I was a REALTOR®.

I understand that I will become a provisional member immediately upon submission of a completed application form, dues and fees. Provisional membership is subject to all of the same privileges and obligations of membership, and is granted subject to review of the application by the Board of Directors. If the Board of Directors determines that I have not met all of the qualifications established in the Association's bylaws, or if I do not satisfy all of the requirements of membership (for example, completion of a mandatory orientation program) within ninety (90) days of the Association's receipt of the application, my membership may be terminated.

Further, I acknowledge that dues are computed from the date of application and are not refundable unless the Board of Directors terminates my membership for failure to meet the requirements of membership. In such instance, my dues will be returned, less a prorated amount to cover the number of days that services were received, and any application fee.

Dues payments to the East Metro Association of Realtors® are not tax deductible as charitable contributions. Portions of such payment may be tax deductible as ordinary and necessary business expenses.

Applicants for REALTOR® membership become provisional members immediately upon submission of a completed application form, dues and fees. Provisional membership is subject to all of the same privileges and obligations of membership, and is granted subject to review of the application by the Board of Directors. If the Board of Directors determines that the applicant does not meet all of the qualifications established in the Association’s bylaws, or if the applicant does not satisfy all of the requirements of membership (for example, completion of a mandatory orientation program) within ninety (90) days of the Association’s receipt of the application, membership may be terminated.
